**I cheat, you cheat, he  
cheats, she cheats... or?**

Legend has it, that a figure made out of  
corn leaves was hung on the doorknob  
of the house of an unfaithful girl.  
Mocking the man who cheated as well,  
the shame fell on both of them.  
Today these figures are viewed as  
beautiful decorations, celebrating  
the tradition of skilled handiwork and  
creativity of our ancestors.
